

American Sign Language

Cami Vineall

Submitted by Ignacio Ponce

Cami has been more than an outstanding student in American Sign Language (ASL). She has achieved higher grades by demonstrating a superior commitment to the study of ASL and the culture of Deaf and Hard of Hearing people. She is the kind of student who actually wants to learn and not just do well on exams. Her dedication to ASL inspires students and professors alike.

Cami rarely missed the opportunity to participate in the SBCC ASL Club extracurricular activities and she is always willing to help the Club or other students during the ASL skill development activities.

We are pleased to recognize Cami Vineall as the 2022-2023 Outstanding Student of the Year in American Sign Language.
